APPRECIATION LETTER

Dear Aarav Prakash,

I am writing to extend my gratitude to you for the fantastic initiative of promoting Visual Aids and the usage of laboratory equipment at our school.

The demonstration given by you to the science teachers has been very helpful and we hope to increase the use of visual aids frequently in our institution as we too feel that visual learning is the most effective teaching these days.

I would like to thank you for the work you've done at our school.

Best Wishes.
