This is to certify that Mr. Aarav Prakash, a student of The Doon School, Dehradun, raised funds during a 3 week time period amounting to ₹20,000 and donated these funds for the development of our school laboratory. He was foreseen by Ms. Rajita Sharma, science teacher for the kinds of laboratory equipment needed.

In these 3 weeks, he raised funds via friends and family and then donated the funds to the B.D. Senior Secondary School, Ambala Cantt. He also helped to make correct use of the funds by finding viable equipment to purchase. Parallely, he was also engaged in increasing educational standards with emphasis on scientific awareness by encouraging students to pursue sciences as a field.

Aarav worked around the clock with interest in all parts of his funding to promote education and science as an area of education as well.
