## TO WHOMSOEVER IT MAY CONCERN

This is to certify that Mr. Aarav Prakash, student of The Doon School, Dehradun, has been directly involved in helping disabled persons especially leg amputees. He did this by first convincing and then sending these disabled persons to the Viklang Seva Kendra (under the guidance of Jaipur Foot) in Ambala Cantt under the supervision of myself, Mr. Vijay Sharma.

During this 30 day period from 6<sup>th</sup> of June 2022 to 8<sup>th</sup> of July 2022, he guided and helped the disabled persons reach the centre. During his time with us Aarav was exposed to different phases in the development of prosthetic parts for both below knee and above knee prosthesis. This included formation of the legs as per the specific dimensions pertaining to the individual patient and moulding of the material via furnaces and application of these prosthetic parts to the people themselves.

He is diligent and inquisitive and worked hard to help us and people around him who were in dire need of free prosthesis. We greatly value his efforts towards this good cause.

V. K. Sharma
